

Psalm 97

©1995 Kevin Twit Music. Words: based on the Scottish Psalter (adapt. Kevin Twit). Music: Kevin Twit.

CH: God reigneth (*God reigneth*)

Let the earth be glad and let the isles rejoice

God reigneth (*God reigneth*)

Let the earth be glad and let the isles rejoice

1. Dark clouds encompass Him

In justice He sits upon His throne

Fire goes before Him

His foes it burns up all around

(Repeat chorus)

2. Lightning lightens up the world

The earth she saw and shook throughout

The mountains, they all melt like wax

Before the Lord of all the earth

(Repeat chorus)

3. The heavens proclaim His righteousness

The peoples see His glory shine

And all who worship images

Are put to shame with all their gods

(Repeat chorus)

4. Zion hears and sings for joy

Because of all Your judgments, Lord

For You, oh Lord, are the Most High

Above all other so-called gods

(Repeat chorus)

5. Let all who love the Lord hate sin
For He preserves His faithful ones
Light is shed upon the just
And joy upon the pure in heart
(Repeat chorus)
