

# Let Us Love and Sing and Wonder

Public Domain. Words: John Newton. Music: Darmstadt Gesangbuch.

1. Let us love and sing and wonder  
Let us praise the Savior's name  
He has hushed the law's loud thunder  
He has quenched Mount Sinai's flame  
He has washed us with His blood  
He has brought us nigh to God

2. Let us love the Lord Who bought us  
Pitied us when enemies  
Called us by His grace and taught us  
Gave us ears and gave us eyes  
He has washed us with His blood  
He presents our souls to God

3. Let us sing though fierce temptation  
Threatens hard to bear us down  
For the Lord, our strong salvation,  
Holds in view the conqu'ror's crown  
He, Who washed us with His blood,  
Soon will bring us home to God

4. Let us wonder grace and justice  
Join and point to mercy's store  
When through grace in Christ our trust is  
Justice smiles and asks no more  
He Who washed us with His blood  
Has secured our way to God

5. Let us praise and join the chorus  
Of the saints enthroned on high  
Here they trusted Him before us  
Now their praises fill the sky  
Thou hast washed us with Thy blood  
Thou art worthy Lamb of God
